

Notification

F18-13/2 /2005(Acad)

Dated: 7th July, 2020

This is for information of all concerned that the Tezpur University Entrance Examination (TUEE) to be conducted by TUEE was scheduled during 29th to 31st May, 2020. However, the entrance examination had to be postponed due to Covid-19 pandemic followed by lockdown all over the country. There is no sign of improvement in situation in the country in general and Assam in particular. It is difficult for the aspiring candidates, invigilators and university representatives to reach the test centres located in the different parts of the country. It is also difficult to maintain social distancing and sanitization norms with the large number of candidates in the examination hall. Considering all these factors, the University has decided not to conduct the entrance examination for all programs through TUEE this year and admit students based on their performance with qualifying examinations.

Merit list for admission will be prepared based on the marks secured in the qualifying examinations. The candidates who have submitted online application for admission will be required to submit their marksheets/grade cards of qualifying examinations along with grade to percentage of marks conversion formula in case of grading system and other relevant certificates through same login id used earlier for submission of online application form. The provision for online submission of marksheets/grade cards etc. will be intimated to the candidates through sms to their mobiles or by e-mail shortly. Last date for uploading the document is 31st July,2020.

(Dr. L. Boral)

Controller of Examinations
