Guidelines for the PhD Entrance Examination, 2021

- i. The online examination and personal interview (PI) will be held on 16 September 2021.
- ii. The duration of the online examination is 30 minutes i.e. from **9:30 AM to 10:00 AM.**
- iii. The written test will be conducted through a Google Form. The link for the Google Form will be sent via email to the candidates' email ID (as provided in the application form). The Google Form for the written examination will be activated exactly at 9:30 A.M.
- iv. Candidates will have to write their name and application number and other details as provided in the Google Form, otherwise, the candidate's responses cannot be evaluated.
- v. Multiple-choice questions (MCQ) will be given in the question paper.
- vi. There will be no negative marking for the wrong answers.
- vii. Personal interview will be held on **16-09-2021 from 10.30AM onwards.**
- viii. The duration of PI for each candidate will be 20 minutes (approximate). During the PI, the candidate has to give a slide presentation of 5 minutes on the area he/she wants to work in.
- ix. The PI, including the slide presentation by the candidates, will be through Google Meet.
- x. The candidates have to ensure that they have uninterrupted power supply and Internet connectivity during the online examination and PI.
- xi. The Google meet link for the PI will be sent via email to the candidates' email ID (as provided in the application form) on the day of their interview.
